MEMORANDUM FOR: Chief, SW/OFD

SUBJECT: Reported Resettlement of Zeh/OUN/B Headquarters from Munich to Washington, D. C.

1. It has come to our attention via AMCASBONARY/29 that members of the leadership of the Zeh/OUN/Banders visited in the United States in October and November of 1963 in connection with plans to resettle its headquarters from Munich to the United States. Those who visited were: Stefan LAMMERY, Yureklev STENKO and Iven KASHURA. According to various Zeh/OUN/B papers, including Iven KASHURA, the organization is to have a "luxurious" information center located in Washington, D. C., and that more than ample funds are already available for this purpose. The group further plans, according to Mr. KASHURA, to publish an English-language journal in the United States.

2. Resettlement of the group from Germany to the United States is reportedly being done with the approval of "American Intelligence" and U. S. Congressional circles. According to reports, the U. S. Department of State has created certain obstacles which are delaying the actual move, but these obstacles are expected to be removed with the help of American Intelligence and friends of the Zeh/OUN/B in Congress.

3. Among those to be resettled in the United States reportedly are Yureklev STENKO and his wife, and Iven KASHURA.

4. The above information, if true, is alarming. We feel an obligation to prevent such a move, or at least to warn all concerned that they are dealing with assets controlled by the opposition and that the individuals named above have a record of anti-American activity.
